

2010 Marina Waiting List

numbers are approximate according to
turnover

Last Update 7/26/2010

1. You will need a \$100.00 deposit to be put on the Marina Waiting List. The one hundred dollars will go towards your initiation fee when you get your permanent slip. It will not be good towards a sublet slip. Your one hundred dollars is refundable upon request.
2. The initiation fee is \$375.00 for the current year. Your \$100.00 goes towards this amount.
3. The slip fee is \$375.00 for the current year. This figure also goes for sublets as well.
4. As of 6/19/2010 there are 233 property owners on the waiting list. The wait for a permanent slip is approximately 4-5 years. However there is NO guarantee as to when you will be offered a slip.
5. If a current slip renter decides not to use their slip for the upcoming season, that slip will be offered to the property owners on the waiting list in the order that is established by the date that property owners have signed up. Those who receive a phone call offering a sublet will have 48 hours to reply.
6. All waiting list members will be notified of an available permanent slip by certified mailing. You will then have ten (10) days from the date of the letter to respond. *If you do not respond in any manner, the slip will be offered to the next available person on the waiting list on the 11th day. If you do not respond or you decline the offer for two years in a row, you will be considered in-active on the list and will no longer be contacted for a permanent slip until you notify us that you WILL take a slip the next time one is offered. You will not be offered one again the same year, you will have to wait for the following year.* This is a very time consuming process.
7. We advise that you read the Marina Rules & Regulations, whether you have a slip or not. We have had to establish them in order to assure your safety and the safety of others.
