

WLE INDOOR AMENITY COVID-19 NOTICE

11/21/22

At the November 21, 2020 Board of Directors Meeting, the Board made the difficult decision to close most amenity buildings until further notice due to the increase of COVID – 19 cases and rising amount of deaths. This is for the protection of all property owners and employees. The Board is especially concerned with the upcoming holiday season.

The Administration office will remain open with the same restrictions of a mask and the maximum of 2 people at a time in the vestibule area. The Laundry room will remain open with scheduled sanitizing. A mask must be worn, and the social distancing guidelines must be maintained.

Before coming to the office, if you call or email first, we may be able to accommodate you without coming into the office.

This will take effect on Monday November 23, 2020

The Fitness Center, Indoor Pool, MCH, Beaver Lodge, Adult Lodge and Kasper Lodge WILL BE CLOSED

When the pandemic begins to decrease this will be re-visited and re-evaluated.

Recycling will remain open with the same procedures of the restricted number of vehicles at one time in gated area and masks must be worn for the protection of all property owners and the attendant.

Thank you for your cooperation in this difficult time, have a Happy Thanksgiving and stay safe.

The Board of Directors
